Vacation Bible School at St. John's

July 11th through 16th

Join us for "EGYPT", Joseph's journey from prison to palace.

Anyone of any age can help in some way.

HOW??

Glad you asked!

You can help planning, making decorations, making costumes, donating supplies, leading or assisting a group, childcare, registration, clean-up.

As you all know, it takes a village. Please see Pastor Jennifer or Karen DiPace to find out more ways to help.
